3. The paper has developed some very provocative -
though tentative - conclusions.

4. The method and approach were described to [REDACTED]
and we understand that [REDACTED] has initiated parallel work and
may publish something in the near future. In order that ORR
get credit for the work it has initiated, it is recommended
that this report be published as an Intelligence Memorandum
as soon as possible.

5. Some of the pieces of this paper are being redone and
will be forwarded in the next few days. These include a reworking
of the charts on page 8a, a drafting of a distribution list, and
arrangements for graphics for the map on page 5a and charts on
page 8a.
